

**M**OST men are bound to their business. Most women are bound to their household cares. So tight are the ties, or so great is the interest that as long as they keep up and around they don't pay attention to the everyday ills which beset them. But you should, for those are forerunners of serious sickness. Don't delay, realize your danger now. Consider your condition. Are you sleepless? Is your body branded and blistered by eruptions? Is your appetite failing? Are you nervous and irritable? Is your breath bad and your tongue coated? These are a few of the symptoms that indicate the rising tide of disease. The present is yours, act now.

## KICKAPOO SAGWA MAKES NATURE WORK

It has saved thousands from just such peril. It drives out the impurities that taint the blood. It enables the stomach to digest and assimilate the food. It cleanses the kidneys and tones up the liver by removing the obstructions that prevent the harmonious working of the great organs of the body. It enables Nature to carry on its work. Kickapoo Indian Sagwa is Nature's own remedy, a compound of healing roots, herbs and gums, that cleanse the system and promote the healthy action of the physical organs.

"I had no appetite and could not eat or sleep well. I took one bottle of Kickapoo Indian Sagwa and have felt no pains since, while my appetite is good and I sleep well. That bottle of Sagwa was worth 20 times its cost to me."—William Cowperthwaite, Manila, Ontario.
